

My Grandpa

www.2ZabaneSho.com

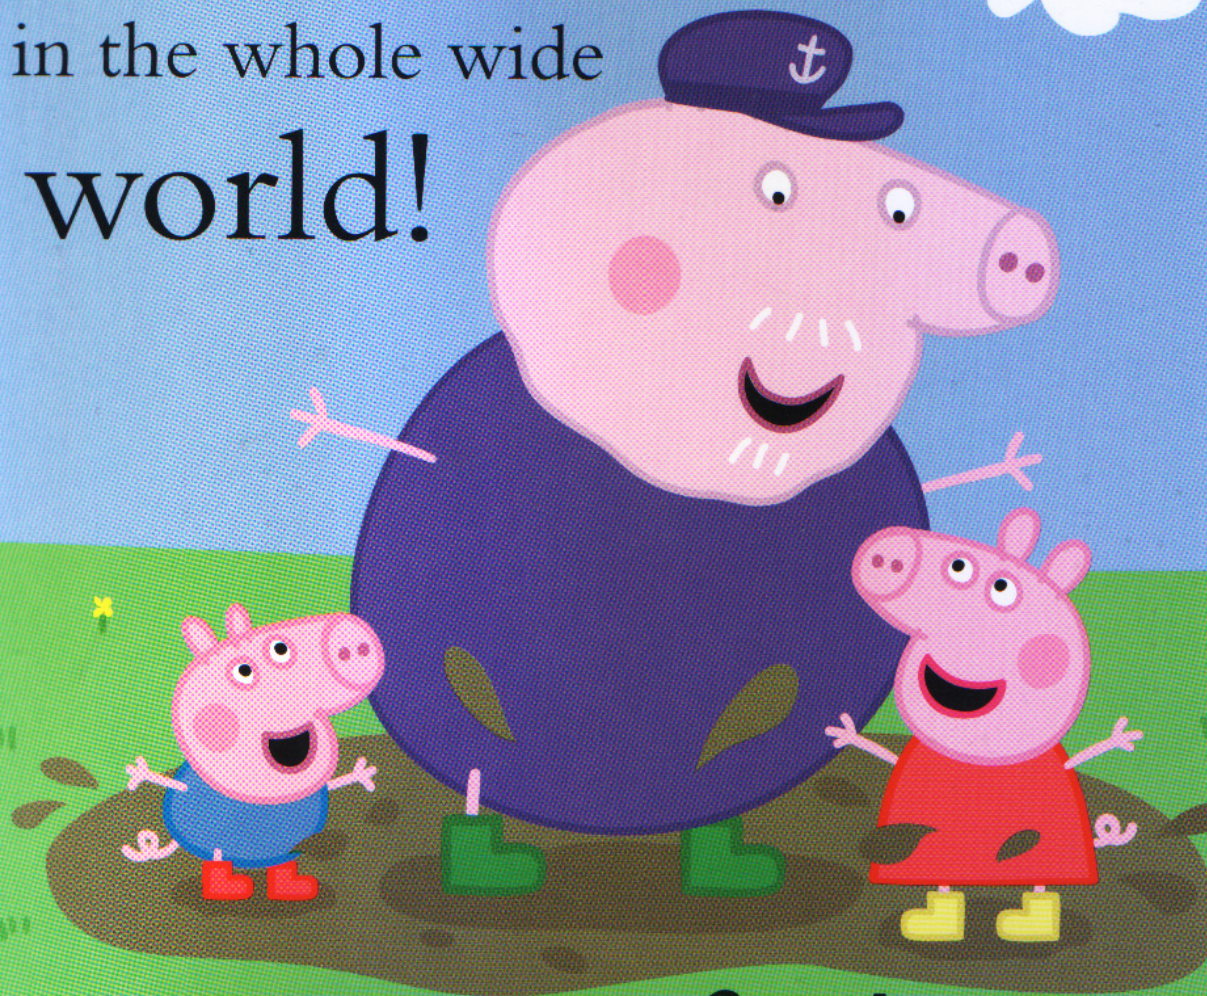

My name is Peppa
and this book is all about
my grandpa.

2zabanesho

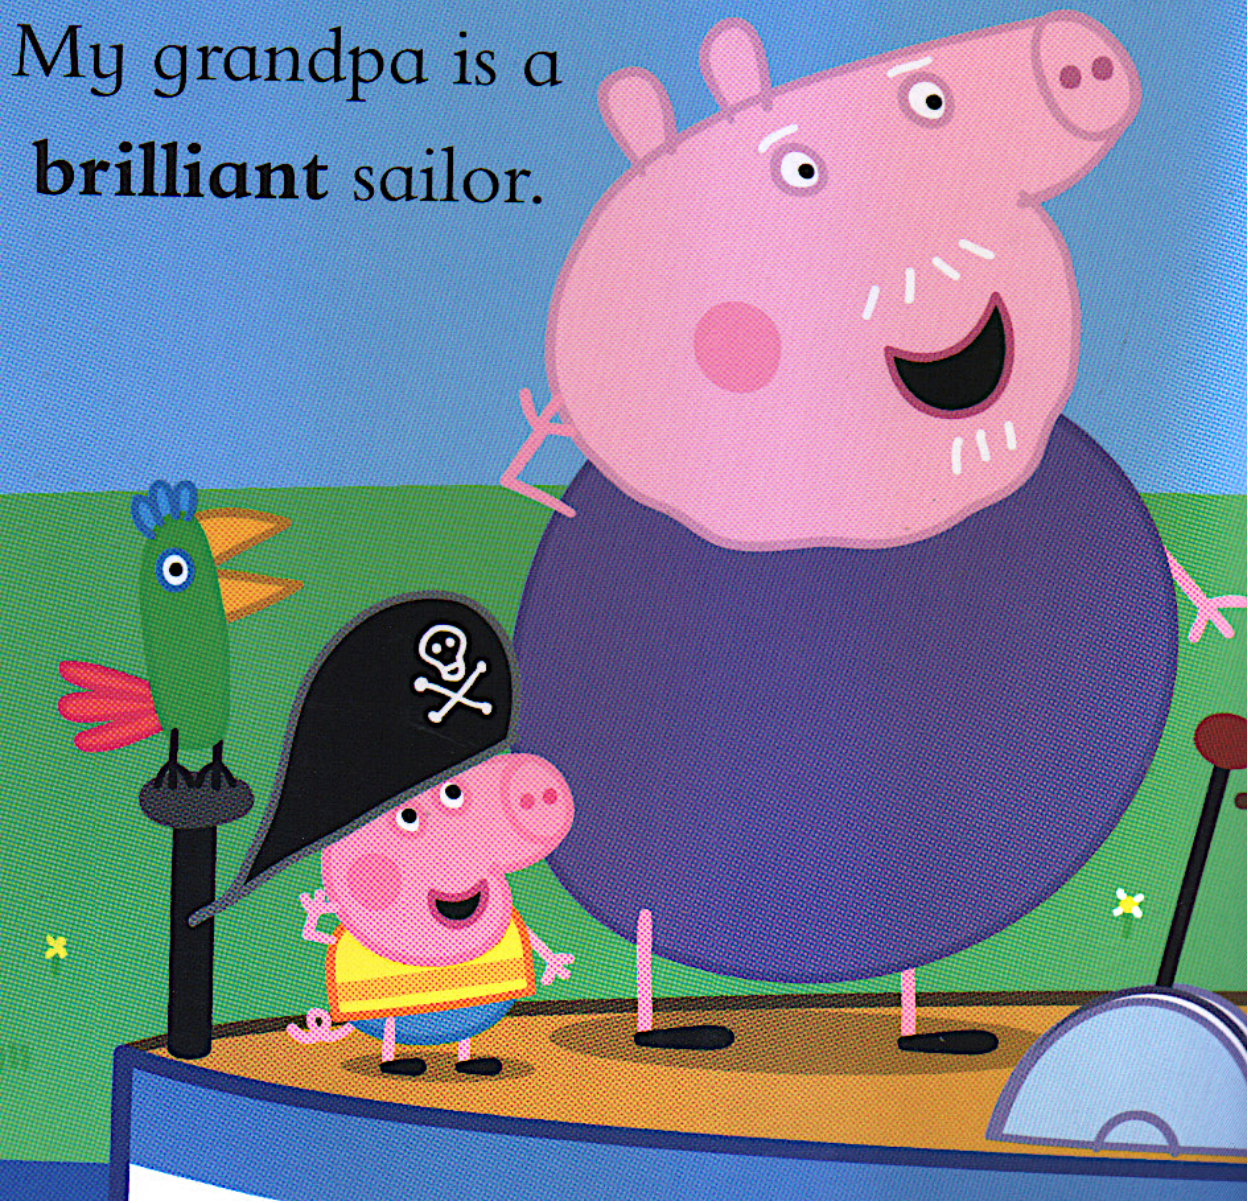

He is the **best** grandpa
in the whole wide
world!

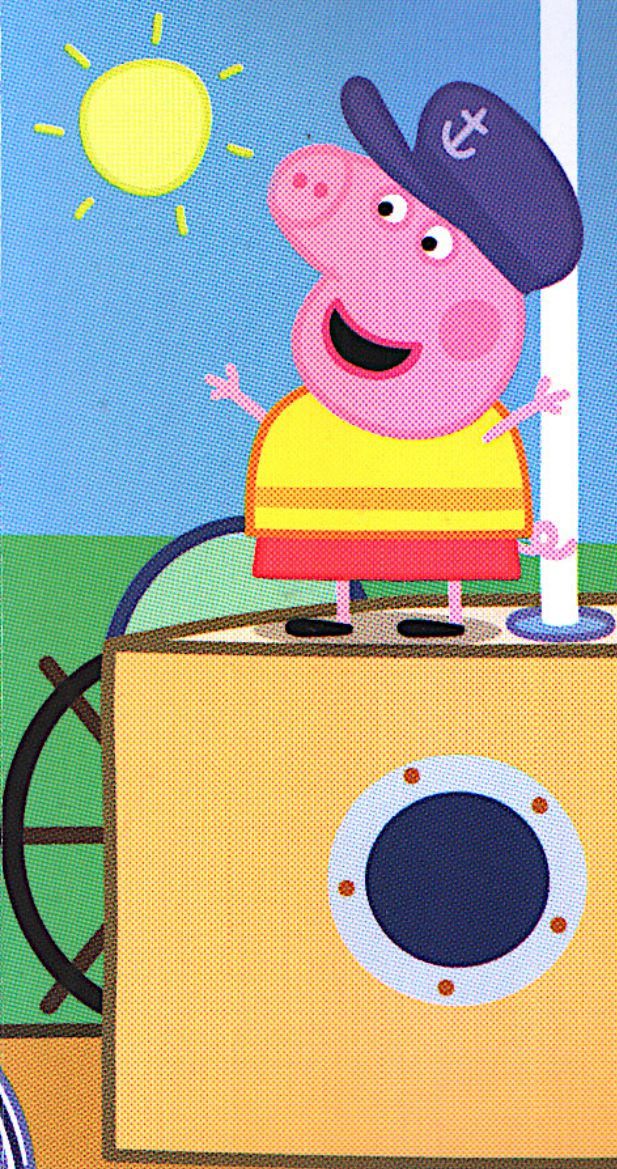

And the most fun!

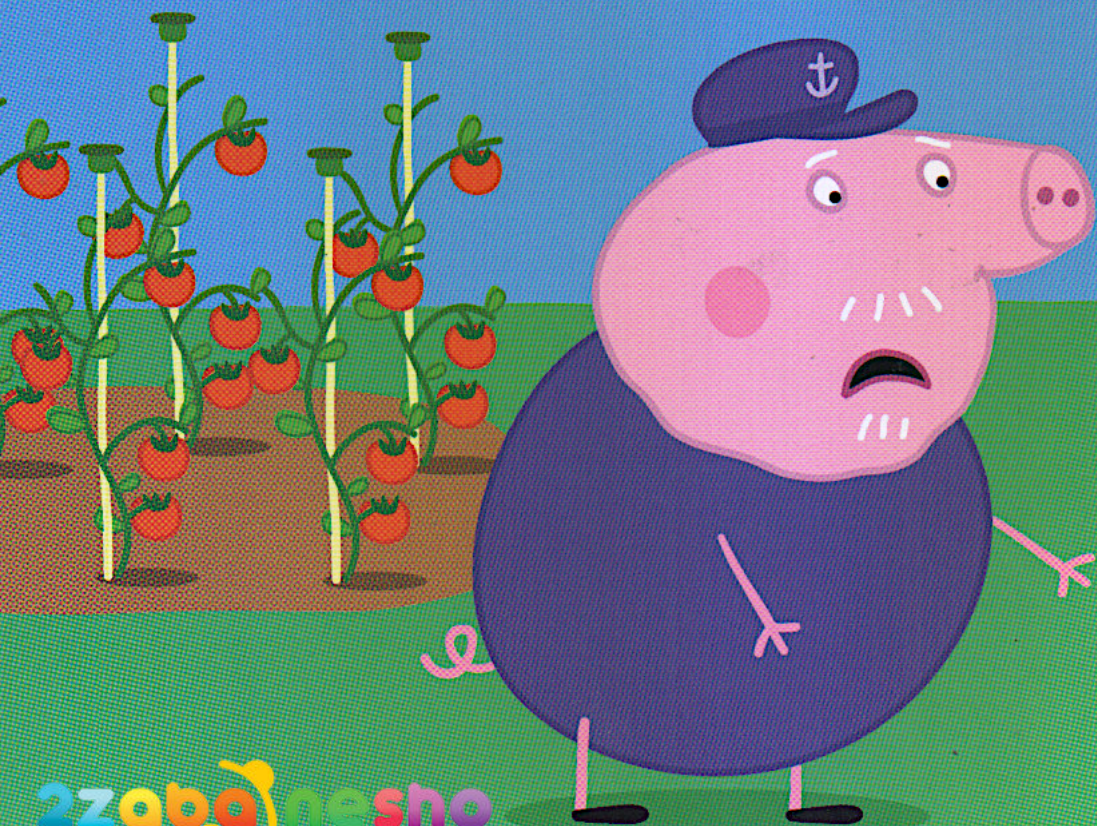

My grandpa is a
brilliant sailor.

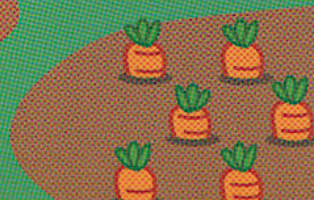

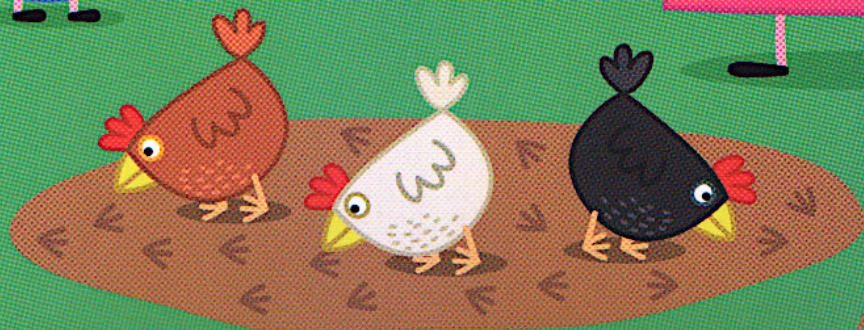

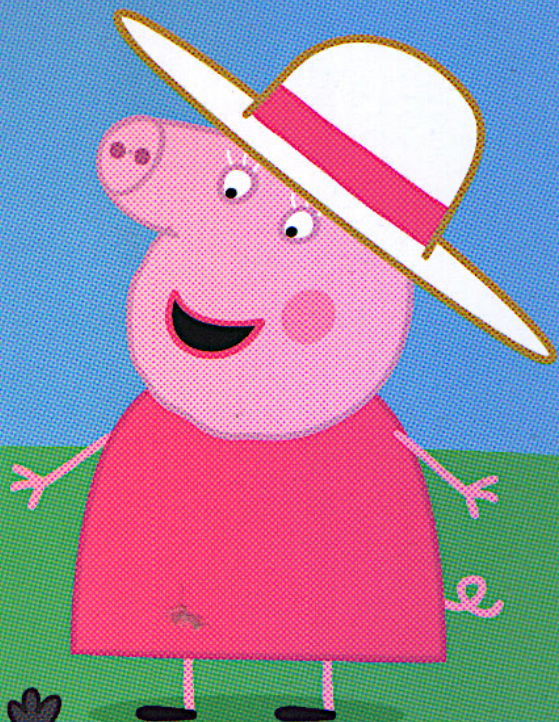

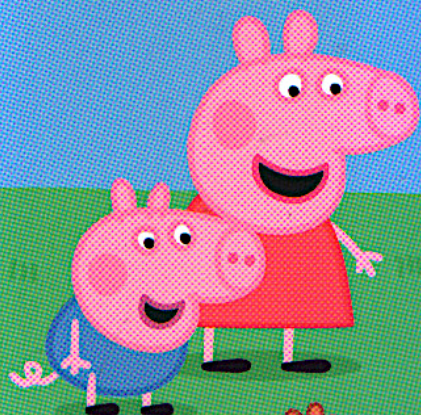

He says George
and I are his
favourite
shipmates!

My grandpa grows delicious
things in his garden that
we like to eat . . .

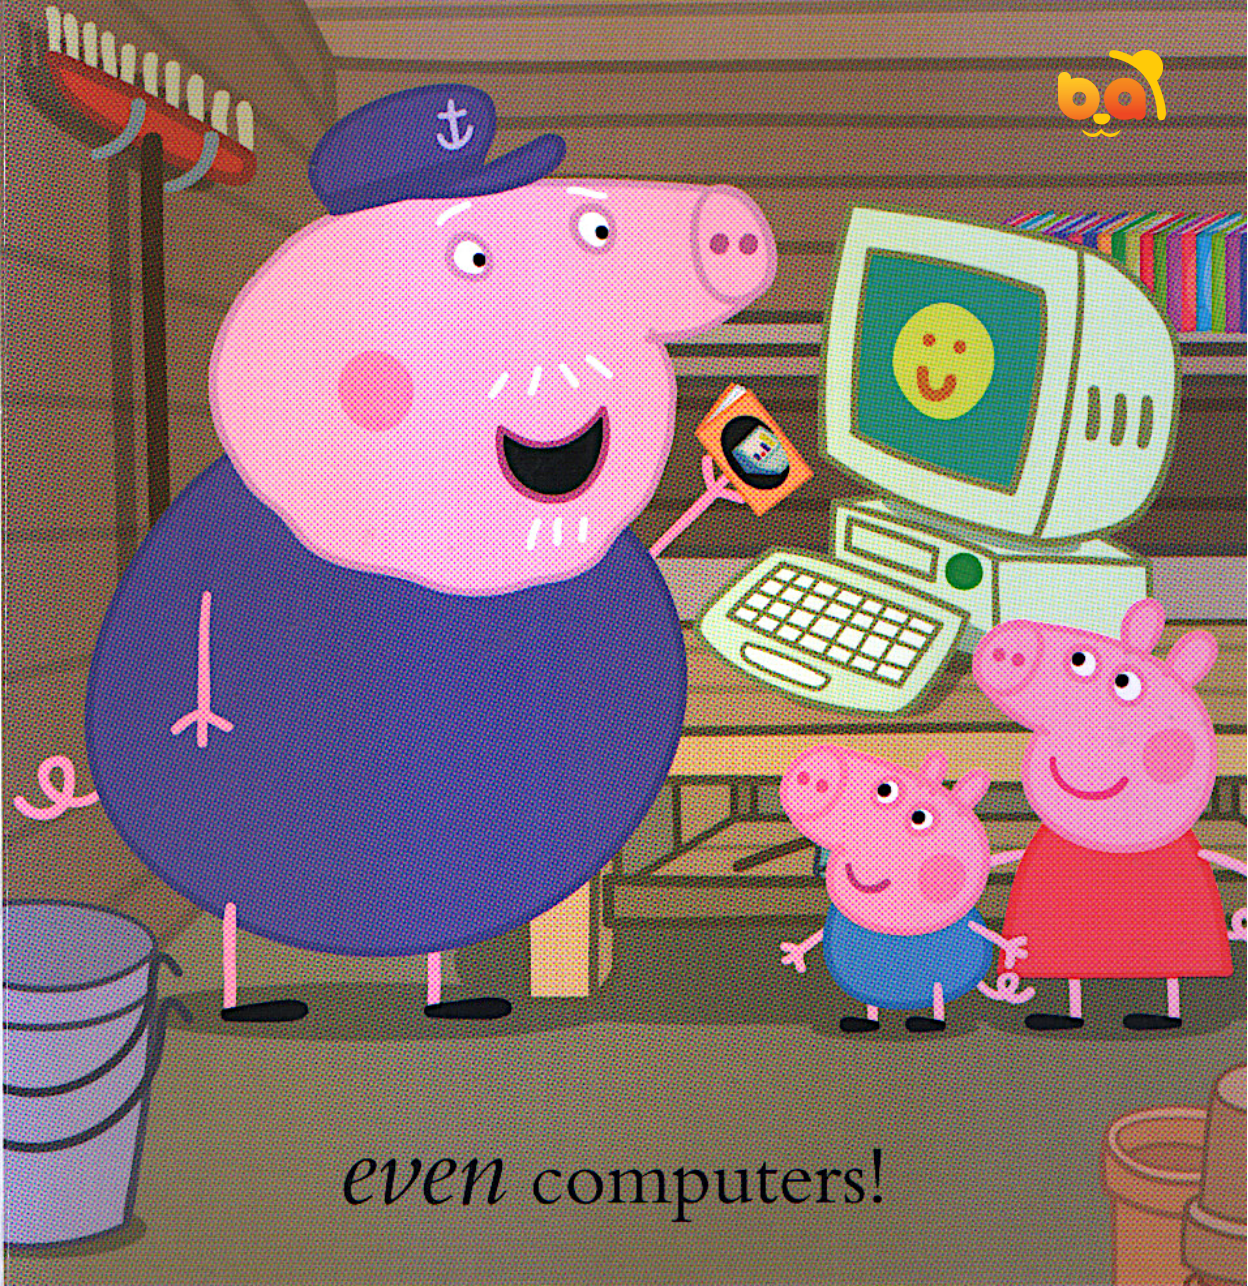

but so do Granny's chickens!

My grandpa has **lots** of
books that help him mend
anything,

even computers!

My grandpa is *so* **clever**
he's even built a train
called Gertrude.

George and I love
going for rides in it.

Choo choo!

My grandpa is
great at
singing and
dancing to
silly songs!

*“The birds go woof and the dogs
go tweet! Woof! Woof! Tweet!”*

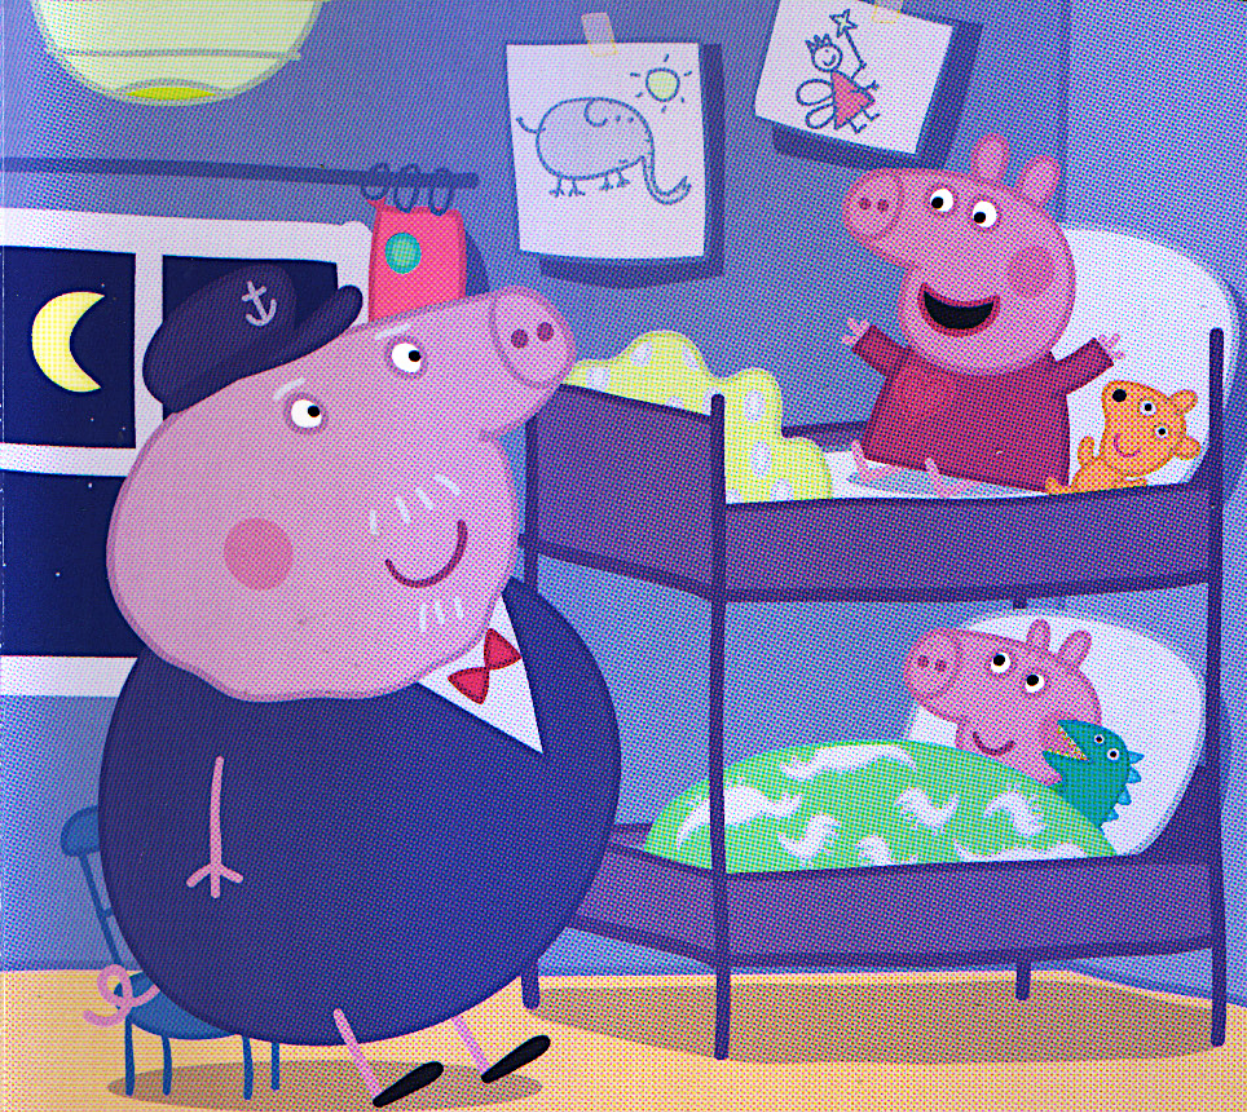

My grandpa likes to
tell us *jokes* and ...

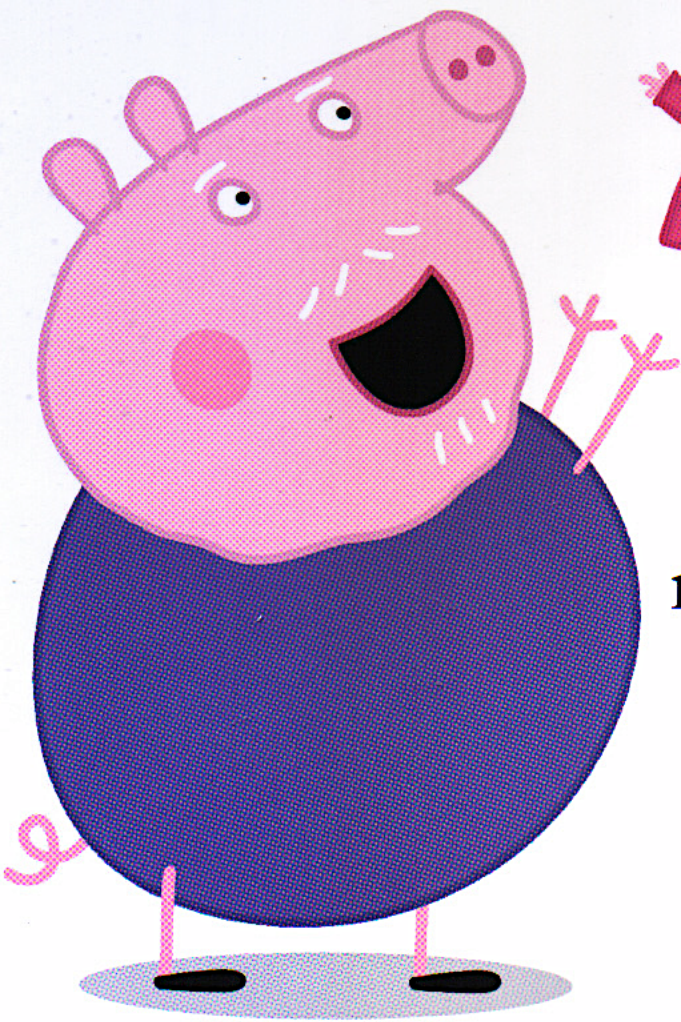

ba!

his bedtime stories are the **best!**

My grandpa is

always
ready to play ...

after a *little* nap!
